It is open to all Rincon and University High School students with a \$5 entry fee. To sign up, scan the QR code on a flyer around campus or come to room 114. Don't miss your chance to have your name permanently etched onto the RUHS Gaming Champions Trophy of Champions.
- RHS Student Council is sponsoring another Red Cross blood drive on February 14th, Valentines Day. Come show love for those in need and sign up to donate! Every donation can save up to 3 lives, and if saving lives isn't enough, donors will also receive a \$20 gift card to Amazon! Those who are 16 or 17 will need parental permission, so swing by room 201 to grab a permission slip or ask questions!
- RHS Student Council is also selling Valentine Grams during RHS lunch until February 13th, and they will be handed out on Valentines Day! Small bags are \$3 and big bags are \$5. You can find us right by the cafeteria!
- Attention Rincon seniors, the yearbook needs your Baby or toddler picture. Please locate one that you like and get them ready to submit. This picture will accompany your senior cap-n-gown picture in the yearbook. Please send a digital file labeled with your full name to Rincon senior Sebastian Madrigal @ Madrigal276@icloud.com. If you only have a hard copy, please bring it to room T3 for scanning. They are due on February 9th.
- The Volunteer Club is holding a towel donation drive in the Language Building: Room 403. Bring any sized towel including washcloths, hand towels and big towels. We will be donating the towels to Pima Animal Care Center and will be accepting donations for the next few weeks!
- Spring Sports are coming up soon. The first day of tryouts will be Monday, February 5th. Make sure to pick up a RUHS Athletic Packet from the Athletic Office. All athletes must be cleared

by the Athletics Office prior to any practices or conditioning. The Athletics Office has moved to the Portable Mobile Unit outside the North Gym. Please pick up packets there.

- In applied sustainability the class is working on a project that needs massive amounts of 20 fl oz Gatorade or Powerade type bottles. If you can save yours and have your student drop them off in Room 106, that would be greatly appreciated and they will go to good use.
