Lunch and Outside Vendor Deliveries NOT Permitted

This past week we have seen a rise in students attempting to order their lunch through Door Dash, Uber Eats, pizza deliveries, etc. These types of deliveries will not be permitted. With 2400 students on campus, we do not have the manpower to keep our campus safe while allowing unverified delivery drivers to enter and exit our campus with frequency. This also goes for flower deliveries, etc. Delivery services will be turned away at the gate and students/parents are at risk of losing their money if the service does not issue refunds. Please make sure students are clear that deliveries to the school will not be allowed to enter campus.

2. Are you are planning on attending football, basketball, volleyball, soccer, or wrestling this year? If you are, get your 2023-2024 RUHS Sport Pass in the Finance Office. The price is only \$30 per person. It is good for all home games for those sports this year. The first home games this year are the last week of August. All proceeds from the sports pass stays on the RUHS campus. Purchasing single game tickets sends most of the proceeds to the district. So, help out the RUHS athletes and get an RUHS Sports pass for \$30 per person in the Finance Office today. Cards can be purchased on the TUSD Payment Portal <https://az-tucson.intouchrecepting.com/> and cards can be picked up in the finance office with receipt.

**RUHS is a clear bag only campus. Please only bring clear bags when attending home games at RUHS athletic events.*

Opportunity to Make-Up PE Points

The Physical Education Department wanted to let parents and students know how they can make up daily points for class in case your student is absent. Students will have the opportunity to make up their points by attending a morning workout session. The weight room will be open Monday, Tuesday from 7:00am – 8:45am and Thursday from 7:00am – 7:50am. Students should dress for activity just like they would in their regular Physical Education class. Students must work out for the entire 50 minutes to receive make up credit. There will be a sign in sheet for students to sign when entering the weight room. Teachers will get the names of any students who successfully completed the time so the student will receive credit for missing class. **Students will have 3 days from the date of absence to make up the points.**

If a student needs to make up a mile they have missed, please have them contact their teacher to set up a date and time. If you have any questions, please do not hesitate to contact your teacher.
