Safe Driving Concerns

This week after school hours, some teens were seen in the apartment parking lot across from Arcadia with their car windows down, driving, while friends were sitting upright where the car windows should be, with the greater portion of their bodies hanging outside of the cars.

Please talk with your students about this kind of risky behavior. There are a lot of speed bumps and potholes around the school, and all it would take is an unexpected bump, sharp turn, or abrupt stop to occur to catch one of these passengers off guard. We do not want to see anyone get injured in a senseless accident.

This took place after hours off school grounds. We could not verify if they were RUHS students or not, but for your student's benefit, we wanted to mention it in hopes of initiating an important dialogue about this at home.

Please encourage your student, whether a driver or passenger, to practice vehicle safety.

Picture Day: Underclassmen: September 13th

All students grade 9-11 will have their photo taken during their Math class on September 13th. These photos will be used in the yearbook, so look your best! Order forms for photographs will be coming

home soon with your student.

Parents Please Note: If you have signed a media release form that states that your child's photo is not allowed to be published, this means that he/she will not be pictured in the yearbook, even though they took a photo on picture day.

Picture Day for Rincon High School is scheduled for Wednesday, Sep 13.

This event's Order Code is 78205GF.

Online ordering is available before and after Picture Day. Shipping and handling charges may apply to orders placed after Picture Day.

Thank you for volunteering to be the Picture Day Coordinator! Use the information above and the tools on the website below to promote your school's Picture Day.

Online Lunch Application and Payments

Rincon receives additional funding to support our student body based on the number of families who fill out the free and reduced lunch information. Even if you think you will not qualify, it benefits the school financially for families to complete the packet. Thank you, in advance, for your time.

Please Note: Rincon is not a school in which all students receive free lunch automatically. Any family hoping to qualify for free or reduced lunch, must apply.

Food Services is launching its **NEW WEBSITE:** meals.tusd1.org which will be linked on the district website. The website has all the information families need related to school meals, including monthly menus and features a convenient mobile menu app.

Meal Prices & Meal Charge Policy

K-12 reduced price breakfast \$0.25, reduced price lunch \$0.40

****As of January 2023, all students who qualify for reduced-price meals will receive free meals (funded by the AZ Department of Education)***

Regular Price: 6-12 breakfast \$1.75, lunch \$3.00

The following TUSD Meal Charge Policy applies when funds are not available to pay for breakfast or lunch:

For High School– If funds are not available at mealtime, an alternate option will be offered and charged to the student's meal account. The High School Alternate option for both Breakfast and Lunch is a cheese stick and fruit (\$0.50).

Food Services will notify families of unpaid balances through email, phone calls and letters.

Students must qualify for free/reduced meal benefits. The meal benefit application is available at <https://linqconnect.com/>. A Free/Reduced meal benefit application is only to be completed for students enrolled at non-CEP schools. If a student is receiving SNAP, TANF, is part of the foster-care system or McKinney-Vento program, a free/reduced meal application is not needed as they automatically qualify for free meal benefits.

Online Meal Payments

Families can set up an account to make online payments to add funds to student meal accounts at <https://linqconnect.com/>. *Please note: The previous Titan family portal for online payments is now called LINQ Connect. Account login information is the same on LINQ Connect as it was through the Titan portal. All meal account information and balances at the end of the school year 22-23 remain on all accounts.*
