October 6th-15th: NO SCHOOL, Fall Break -End of Quarter 1: Midterm Grading Period

School will commence on October 16th, following our traditional Monday, block schedule.

*Although this is the midterm grading period, in which student grades will be a solid reflection of their current progress in their classes, this is not a grade that will be on their official transcript. In high school, the only grade that is reflected on students' transcripts are the end of semester grades in December and May. The semester grades are cumulative grades, meaning that Quarter 2 grades are not averaged with Quarter 1 grades. Instead, they are calculated on an ongoing basis.

Although midterm grades are a solid reflection of your child's progress, it is not too late to turn grades around before they become official in December. Please encourage your child to utilize conference period and after school tutoring in the library if extra help is necessary to raise grades.

TPD Traffic Concerns

The Tucson Police Department has reached out to RUHS as there have been multiple neighborhood concerns about the traffic in the area. TPD asked us to notify drivers of the concerns and to inform families that stopping along 5th street to drop-off and/or pick-up students is illegal and dangerous. TPD will begin doing regular patrols of the area to ensure traffic safety. Please follow the prescribed drop-off/pick-up loop in our parking lot to avoid receiving a ticket and to keep your child safe.
