Rincon Weekly Update

November 26-December 2, 2023

Hope you all had a wonderful, extended weekend, with time to connect with what makes you thankful!

With only **19** school days remaining this semester, it's crunch time.

***"You didn't come this far to only come this far. Dig deep, finish strong, and make yourself proud." ~Gary Ryan Blair***

***"It's not where you start. It's where you finish that counts." ~Zig Ziglar***

Everyone has worked so hard all semester and these last 19 days, can make all the difference. Let's finish strong, Rangers! The grade that is recorded at the end of the semester in December, is the official grade that will go on your permanent high school transcript. Any required course that you do not pass, will have to be made up in summer school, weekend academy, repeated at school, or in online credit recovery on top of your normal schedule. Work your hardest to ensure you achieve the grades you are hoping for on your official report card!

### **Building Update**

Progress is moving quickly on setting up alternative classrooms for our programs that were displaced due to the closures of the north gym and auditorium, that will allow our students to get back to business. All of our all displaced classes will be in their new spaces early next week, if they are not already up and running. TUSD is projecting to have the construction on our buildings completed by spring break, which may be somewhat of an optimistic timeline, but we are hopeful that timeline will come to fruition.
