Guests Present: None

Agenda:

- I. The meeting was called to order at 3:36 pm.
- II. March minutes were approved, no nays.
- III. Call to the Audience: Email pertaining to a parent whose child is a senior. She attended last year's graduation and saw chaos with people rushing the field. She thought it looked dangerous. Not sure if she was in attendance. Ms. Welch verified that a large group did come onto the field after the ceremony concluded. The plan is that security will be added along the fence line and a notification about coming through the gates onto the field for the safety of all will be given out.
- IV. Reports:
 - a. Principal's Report: Ms. Welch shared that we finished off the last extended weekend of this semester, no other breaks. This week is testing week, Freshmen take the Aspire, Sophomores take the ACT practice, Juniors take the ACT and seniors have other activities. There was a budget meeting and Rincon is in good shape for next year, we had to make 4 cuts, but they were 6/5ths positions. We aren't having to cut staff which is good. Also reviewing the schedule and assignments for teachers are also out. We have a data interventionist position to help with attendance issues. Teacher Appreciation is also around the corner. Finalizing the year and working to get things finalized. Summer School is also open, and students should be working with their counselors to sign-up if credits need to be recovered.
 - b. Finance Report: The current balance is \$10,005.43, no other information available.
 - c. PTA: Campus Clean-up on March 23, 65-70 people attended, great turn out and beautiful weather. Meeting this evening many things to discuss at 6:00 PM. Will wait until after testing and will look for dates to celebrate teachers with the snack cart. Teacher Appreciation is May 6-10.
 - d. Rincon Ranger Foundation: Ms. Grijalva shares that the scholarships are now being decided upon, great group of students and applications are being accepted until the

end of this week. Golf Tournament is mid-May, and she will give the flyer information to Ms. Welch soon.

- e. Rincon Education Foundation: Planning to get t-shirts for Freshman Academy (working with Mrs. Guerts) and in conjunction with Teacher Appreciation will get the grants of \$100 out. Members need to join for next year, information forthcoming.
- f. Student Council Report: Mr. McDonough shares that Prom is April 13th at Skyline Country Club. Pep assembly is April 11th. They are also helping with the Senior Breakfast. Another meeting will take place and other information will come out later.

V. Action items: None

VI. Discussion items: Mr. McDonough shares that there is a question about facilities, basketball hoops but they are all gone, and he was wondering if Site Council fund to fix and replace the courts for students to have again. Ms. Welch said that there was a pipe burst and there were repairs. She is going to bring this up with the UHS administration and will see if people want to have it again. Basketball moved into the gym during lunch by Mr. Kipling, the agreement is this will continue if there are no disciplinary issues. It has been very positive. Some behavior issues had been going on during lunch and those issues are no longer problematic. She will take this query to the next meeting.

VII. Plan agenda for the next meeting.

VIII. Adjournment – Mr. Zelov moves to adjourn the meeting, Mr. McDonough seconds. Meeting adjourned at 4:02 pm.

The next School Council meeting will be Monday, May 6 at 3:30 pm on Zoom.

Respectfully submitted,

Darla Oliver
