FAFSA:

Seniors Only

What is the FAFSA?

The FAFSA is the Free Application for Federal Student Aid. This application is based on your parent(s)' tax return from the previous year.

Colleges use the data from the FAFSA to determine what federal financial aid you qualify for. This information is combined with scholarships in the financial aid package you will receive from the colleges you apply to.

Many colleges also require a FAFSA submission to award any kind of aid, including scholarships or grants from their institution.

Types of Federal Aid

GRANTS

Grants are based on financial need and typically do not need to be paid back.

WORK-STUDY JOBS

A way to earn money to help pay for college through work.

LOANS

Money you borrow to pay for college or career school. You must repay these and the interest it accrues.
