ASSESSMENTS in MajorClarity

Learning Styles Assessment

Complete the 25-question Learning Styles Assessment to find out more about your preferred style of learning.

For each question, decide if the statement is *usually true for you*.

Click **No** or **Yes** to submit your response.

Auditory Linguistic ⓘ 36%	Visual Linguistic ⓘ 18%	Auditory Numerical ⓘ 18%
Visual Numerical ⓘ 18%	Kinesthetic Combination ⓘ 9%	

Reset assessment

Auditory-Linguistic

Learn best from hearing words spoken aloud.

Visual-Linguistic

Learn best from reading words on a page or display.

Auditory-Numerical

Learn best from hearing numbers information verbally.

Visual-Numerical

Learn best from seeing numbers on a page or display.

Kinesthetic-Combination

Learn best from hands-on activities & having direct involvement.

Learning Styles Assessment Results

Directions: Take the assessment on MajorClarity then record your results.

Auditory Linguistic

____ %

- Auditory linguistic people learn best from **hearing words spoken**.
- They will be more capable of understanding and remembering words or facts they could only have learned by hearing.

Visual Linguistic

____ %

- Visual language people learn best from **reading words**
- They tend to remember and use information better if they have read it themselves.

Auditory Numerical

____ %

- Auditory numerical people learn best from **hearing numbers and oral explanations**.
- They can probably work problems in their head.
- You may hear them saying numbers to themselves as they try to understand a problem.

Visual Numerical

____ %

- Visual numerical people learn best from **seeing numbers in order to work with them**.
- They are more likely to remember and understand number facts if they have seen them.
- They don't seem to need as much oral explanation.

Kinesthetic Combination

____ %

- Kinesthetic people learn best by **experience**
- They often seek to handle, touch, and work with what they are learning.

What are your plans so far?

RHS CCR Student Interest Form

Tell us where you're at and we'll help get you where you want to go!

TIMELINE FOR SUCCESSFUL COLLEGE ADMISSIONS

Freshman Year

1. Take challenging classes in core academic subjects. Start AICE, AP, or Honors classes as soon as possible.
2. Be involved in school and community activities. It's the quality, not the quantity that counts.
3. Take the PSAT in October for practice. No registration or payment required.
4. Keep track of all awards, honors, extracurricular, community service, etc. These will be needed for your resume.
5. Start thinking about a career and areas of interest.
6. Take the PSAT Exam seriously. Everything will prepare you for the SAT and ACT.
7. Whenever possible, visit local colleges and universities wherever you are. This will help you decide what you like and don't like about a college in general.
8. Retake any courses that resulted in a "D" or "F" for the semester. You can receive grade forgiveness for these classes which will help increase your GPA.
9. BEHAVE! Your college applications will ask you to explain any referrals that resulted in ISS or OSS.
10. Start keeping paperwork, essay in Locker feature of Coalition at: www.mycoalition.org
11. Start an account on www.raise.me a scholarship fund based on grades, classes, etc.

- [Enrollment - JTED - Joint Technical Education District \(pimajted.org\)](http://pimajted.org)

Watch for announcements on TEAMS, Remind & Emails.

- Remember to Apply as SOON as the application opens in

JANUARY 2024

Get Ready
Now...

Top 3 factors that 'open doors'

- Grades
- Test Scores
- Strength of Curriculum

Other Factors that make a difference

- Essay/Personal Statement
- Letters of recommendation
- Extracurricular activities/leadership

Pointers for Students

- Take charge of your future planning process!
- Stay organized: forms, deadlines, requirements. **Major Clarity can HELP!**
- Communicate with your parents, counselor, and teachers.
- Don't panic!
 - Your Counseling & CCR Team is here to help you.

“Seventy percent
of success in
life is showing

up.”

Woody Allen

You Got This
Class of 2027!

“The best way to
predict your
future is to create
it.” —Abraham
Lincoln
